THE TEAM

# WHAT IS GALAX•SEE?

- Galax•See is a phone cases that is able to project any type of video or streaming.
- This products helps you when you and others are trying to watch a video without having to struggle to watch the video on a phone while make sure that everyone can see.
- “When no one can’t see it, turn it into a Galax•See so EVERYONE see’s it.” – Jordan Lumpkin, CEO
- Everyone should care about Galax•See because it helps with watching many videos with friends and family.

# BARRIERS OF ENTRY

- The product might malfunction and/ or the consumer might not be able to see the hologram clearly.
- The product is new technology that some people may not have.

# ECONOMIC IMPACT:

- The product will help the economy by servicing many people with Facebook accounts and protect their information with the futuristic feature. This will provide a safer environment on social media.
- 
- A decorative graphic consisting of several parallel white lines of varying lengths, slanted upwards from left to right, located in the bottom right corner of the slide.
